RECEIVED

CITATION OF PRIOR ART UNDER 37 C.F.R. § 1.501

Pursuant to 37 C.F.R. § 1.501, Assignee of the above-identified patent hereby submits the documents listed on the attached PTO SB/08 so that they may be placed in the patent file.

The cited documents were cited during prosecution in corresponding Japanese Patent Application No. 2002-200459. A copy of the Official Action from the Japanese Patent Office is attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Office applies any of the documents as prior art against any claim in the patent and Assignee determines that the cited documents do not constitute "prior art" under United States law, Assignee reserves the right to present

to the Office the relevant facts and law regarding the appropriate status of the documents.

Assignee further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present patent.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
